

## Benefits of ... boat training

- 1 The National Boating College is your source for obtaining professional knowledge and practical know-how, as well as additional training beyond boat and PWC licence training.
- 2 You'll learn the "How" and "Why", not just the rules. You'll receive a thorough education designed to support your passion for boating and desire for safety on the water.
- 3 You'll learn valuable tips from professional experienced, qualified Skippers.

**Learn practical boating skills before going to sea**
